

FOOD GRADE TRANSPORT

At Road Scholar Transport, we take a proactive approach to FSMA compliance. Always **MILESahead.**

We provide the latest technology and equipment to ensure that all storage, shipping, and handling of your dry and temperature controlled food products meets or exceeds food safety and security guidelines.

- 100% asset based carrier
- Technology, protocols, and expertise that exceed Food Safety Modernization Act (FSMA) protocols
- .001% claim record - one of the lowest damage claim records in the industry
- Location and temperature of all shipments are tracked and monitored in real time via telematics
